

## PARENTAL CONSENT FORM FOR MEMBERS AND NON-MEMBERS

### Notes for parents and guardians

All riders under the age of 18 (whether member of Cycling UK or not) must have a signed parental consent form. Please give the completed form to the ride leader.

The only exemption is where a young person having reached the age of 16 can prove that they are no longer living with their parents or guardian and are living as an independent adult. This needs to be proven by the supply of evidence such as a rent book or utility bill with the person's current address in their name or a National Students Union membership card.

The minimum age for unaccompanied children on our rides is 16. There is no lower age limit if accompanied by a responsible adult acting in loco parentis, but a signed parental consent form is still needed. Parents or guardians must be aware:

- of the demands of this cycle ride and that they alone make the decision about the ability of their child to complete the ride.
- that the child may cycle with other adults and / or with children, but that there is also a possibility of the child cycling on their own
- that while Portsmouth CTC extends a welcome to cyclists of all ages and abilities, no special provision for children is provided on this event.

Arrangements to get to and from the ride are the sole responsibility of the parent or guardian.

Cycling UK, its members and other riders may take photographs during the course of this event, mostly for private use but some may be for local or national publicity purposes. It may be difficult to ensure that photographs in which your child appears will not be used in any way. If you have concerns about this please speak to the leader.

I consent for the child named opposite to participate in the cycle ride listed opposite.

I have read and understood the notes above.
